

COUNTY CORN SHOW

Will be Held at Wilmington December 11, 12 And 13

A VERY GOOD PREMIUM LIST

The New Castle County Corn Show for 1919 will be held at Eden Hall, Wilmington, December 11, 12 and 13. The Chamber of Commerce of Wilmington has not only provided the hall at considerable expense, but has made a substantial contribution towards paying premiums.

An educational feature in improving the corn varieties of the county, the farmers of New Castle County owe it to the Farm Bureau to support this show by exhibiting a sample of corn, and we are indebted to the Chamber of Commerce of Wilmington "for their kindly feelings towards the farmers expressed through their generous contribution."

The premium list follows:

	REGULAR CLASSES	first second third fourth
10 ears white	4 3 2 1	
10 ears yellow	4 3 2 1

SPECIAL FRUIT EXHIBIT

That New Castle County can grow apples, will be demonstrated by the special fruit exhibit. An attractive exhibit of the leading variety of apples and other fruit will be one of the main features of the show. Watch for the farm exhibits in the Market street windows during the week of the show.

All samples must be delivered or express-prepared to R. O. Bausman, Eden Hall, Wilmington, not later than 12 o'clock, December 11.

New Century Club Meeting

The ladies of the Middletown New Century Club were glad to greet so many of the home people on Tuesday of this week. About one hundred and twenty-five members and guests sat down at six o'clock to a bountiful supper brought in large picnic baskets by the members. The hostesses also served hot coffee and tea. After supper all were invited to the auditorium to enjoy singing. Mr. Casler, musical director of the Wilmington Singers, was on hand and led the singing with a vim. There were national airs, popular songs, new and old, whistling and much entertainment. Mr. Casler won the heart of all, for every voice seemed to respond to his leadership. Many expressed the wish that he would come again right soon. Mr. Farnell McWhorter, Jr., told a funny story and Miss Edith Cochran gave a reading, both were appreciated by the audience. After singing "America," there was dancing until ten o'clock. Mrs. J. Allen Johnson was a most satisfactory accompanist for the singing of the evening. Next Tuesday afternoon the club will have a Thanksgiving celebration at 2:30 o'clock. The program for the day is in charge of Miss Ethel Brady. This is also our customary donation day for Hope Farm. Members and all those interested in this work are requested to take their donations to Mr. Fogel's store on the corner of Main and Broad streets.

BETHESDA CHURCH NOTES

Sunday, November 23d, 1919. 9:30 A. M. The Brotherhood meeting will be in charge of Brother Davis McWhorter, Jr.

10:30 A. M. Morning worship with sermon by the Pastor.

11:45 A. M. Sunday School session. All were glad to see such a large attendance last Sunday. Let us make it more next Sunday.

6:45 P. M. Junior League meeting. These meetings of the little folks are of much interest. See that your boy and girl are there.

7:30 P. M. Evening worship with sermon by the Pastor.

Prayer meeting, every Wednesday evening at 7:30 o'clock.

A cordial welcome awaits you.

In accordance with the usual custom of the two churches, the Congregations of First Presbyterian and Bethesda Methodist Episcopal Churches will join together for a union Thanksgiving service on Thanksgiving Day at 10:30 A. M. The service will be held in Bethesda M. E. Church and the Pastor of Forest Presbyterian Church, Dr. Francis H. Moore, will preach the sermon. Music will be furnished by the combined choirs. A most cordial invitation is extended to the public to join in this service of Thanksgiving to our Heavenly Father for His great kindness to us.

Given Fund For Agriculture

The Service Citizens, of Delaware, Dr. Joseph Odell, Director, has done a handsome thing for the agriculture of the state, having turned over to the State Department of Agriculture \$1500.00 to be used in testing down herds for tuberculosis, and the work has already begun with two veterinarians in the state, one of them employed by the State Board, and the other by the U. S. Bureau of Animal Industry.

The Service Citizens has appropriated \$800.00 to pay Mr. Salo Friedewald, of Scranton, Pa., to attend all the Farmers' Institutes that will be conducted by the Board. Mr. Friedewald will give readings and interpretations of the best English literature. The Institutes will begin on January 19, at Selbyville, and continue for six weeks, covering the entire state.

Wedding Announced

Mr. and Mrs. William L. Spry announce the marriage of their daughter Miss Orna E. Spry to Mr. Delbert B. Gallinger, on Thursday, November 20.

ST. ANNE'S CHURCH NOTES

BISHOPAL

Sunday, November 23d, 1919. The next Sunday before Advent. Services: 10:30, Morning Prayer, Liturgy and Sermon.

11:45, Sunday School session.

12:30, Evening Prayer and address.

A Mass meeting will be held in Christ Church, Dover, on Sunday evening at 7:30, in the interest of the Nation-Wide Campaign. The combined choirs of the neighboring parishes will sing, and members of St. Anne's Parish are requested to send representatives. There will be several speakers from the headquarters in New York City to address the meeting.

Some time has been asked us whether in view of the changes proposed by the General Convention, in the Prayer Book, will it be necessary to procure new Prayer Books. In answer to this we will say: It will be necessary for these changes to wait three years until the next General Convention, before they are ratified. And in the three years, a great deal of use may be made of the Prayer Book, and you will be ready for a new one with the changes incorporated. And it is possible that the changes may be so slight that the present copies of the Prayer Book will be quite as serviceable then as they are at present.

The women of St. Stephen's Chapel, Cecilton, have erected a solid walnut desk as a memorial to their late rector, Rev. William Coale.

Cecilton was visited by robbers last week and after they had entered four residences and attempted to break into three more, they made a get-away with their booty and have not been heard of since.

John Helderman, Jr., Real Estate Broker, West 7th Street, has sold the Peterson houses on Anderson street now tenanted by John English and Robert Bryan, to John M. Whitlock. Consideration private.

Local trappers are getting in readiness for the open season for muskrats, which promises, from the general outlook, to be very abundant. The prices of the meats and furs are expected to be even higher than last year.

The Ladies' Mite Society of Bethesda, M. E. Church will hold their annual Thanksgiving Bazaar on Wednesday, Nov. 26th, in the vacant room of the Newark Hospital. Come and buy your Thanksgiving "goodies."

The May meeting of the Woman's Auxiliary of the Diocese of Delaware will meet in St. Anne's Parish.

THANKSGIVING DAY

Thursday, November 27th, is Thanksgiving Day. The service in St. Anne's will be: Solemn and Holy Communion at half past ten. The offering is for the Day Nursery and Hospital for Babies, a Diocesan Institution worthy of our hearty support. Let every member be present on that day. Gifts of fruit and gravy (white and white corn on the ear) and vegetables, for the appropriate decoration of the chancel are requested and may be sent to the Rectory or the Church, on Wednesday morning.

The May meeting of the Woman's Auxiliary of the Diocese of Delaware will meet in St. Anne's Parish.

Forest Church Notes

Sunday, November 23d, 1919. 10:30 A. M. Public Worship with sermon.

11:45 A. M. Sunday School session. 12:30 P. M. Christian Endeavor service. Topic: "How May We Practice Thanksgiving?" Eph. 5:20; Ps. 67, 1-7.

12:45 P. M. Evening worship with sermon. The pastor will preach at both services.

Wednesday evening, Prayer meeting, at 7:30 o'clock. All are cordially invited to attend these services.

The Forest Presbyterian Church will hold a union service with the Bethesda Methodist Episcopal Church on Thanksgiving Day, Thursday next, November 27th. The service will be held in the Methodist Church and will begin at 10:30 A. M. The Rev. Francis H. Moore will preach, and the collection will go to the Woman's Christian Temperance Union.

CBITUARY

CHARLES F. COCHRAN

After an illness of three months Charles F. Cochran, one of the best known residents of this town, died at his home on South Broad street, Tuesday afternoon, in his 81st year. Mr. Cochran had been confined to his bed for the past two weeks.

The deceased was the son of the late Governor John P. Cochran and Eliza Polk Cochran, and was born at "Cochran Grange," near town, where he lived the most of his life. His wife, who was Miss Corinne Hardcastle, died about 41 years ago, and sometime later Mr. Cochran retired as an active farmer. Mr. Cochran was a Democrat in politics and had always taken an interest in public affairs.

It was the writer's good fortune to have known him long and well, and we only knew him to esteem him more highly as the years passed by. Today we miss his kindly smile and friendly greeting; we long in vain to hear the ring of his jovial laughter and to feel again his genial presence.

He leaves to mourn his death, one son Charles Malcolm Cochran, of this town and a daughter Mrs. Joseph H. Menighan, of Wilmington. Of a family of four sons and two daughters Mr. Cochran was the sole surviving son, and Mrs. Eliza C. Green, of this town, is the last surviving child.

The funeral services were held at his late home, Thursday afternoon, and were in charge of Rev. F. H. Moore. Dr. J. E. W. S. Combs, Mr. and Mrs. J. E. Walls, Mrs. G. L. Cochran, Mrs. Ethel Browne, Dr. and Mrs. E. M. Vaughn, and Miss Mabel Derrickson.

ASHBURY SUTTON PENNINGTON

Mr. Ashbury Sutton Pennington died in Philadelphia on Monday, Nov. 17th aged 73 years.

Mr. Pennington and his estimable wife and two daughters, were for a number of years residents in Middletown, and their many friends here share with them the sorrow of their loss of husband and father.

Mr. Pennington was for years closely associated in Philadelphia with Dr. S. W. Mitchell, the noted expert in nervous diseases, as a masseur and surgeon, and became quite expert in such matters. His kindness of heart, his jovial disposition and ready wit made him a favorite with all who knew him well.

Funeral services were held Thursday afternoon, at 2:30 o'clock at his late home, 4089 Spring Garden street.

Fine program at the Opera House every evening next week.

Newark High Defeats Middletown

In an exciting game the Newark High School football team last Friday afternoon defeated Middletown High 19 to 14. Newark got an early start when Steel made several long runs that resulted in touchdowns. Middletown made a strong uphill fight and outplayed Newark in the last half.

Pearce—Marshall Wedding

Mr. Frank M. Pearce, of Chester, son of Mr. and Mrs. William T. Pearce, Sr., of near town, and Miss Lillie M. Marshall, of Camden, N. J. were married at Elkton, Md., on Saturday last, November 15th. Mr. and Mrs. Pearce will make Chester their future home.

CA THANKS GOD

"To keep the railway running under private management with any degree of efficiency huge sums must be expended. It has been estimated by a conservative railway expert that within the next three years the companies must spend \$8,000,000,000 for new equipment."

"There is imperative need for 800,000 freight cars; 20,000 locomotives, and 10,000 passenger cars. Vast sums are required for track maintenance and extension. The prospects are therefore for an increase in rates, but the question arises whether with such an increase there will not be a falling off in traffic."

"One has to travel but very little to notice that most of the trains, especially through trains are not carrying as many passengers as they were a few months ago."

"The government faces a huge loss as a result of its experiment in running the roads. The operating expenses have increased enormously. According to the figures so far for the present year operating expenses have eaten up 87 cents of every dollar of revenue received as compared with 65 3-4 per cent. in 1916."

"There has been a steady move upward in the cost of operation. Wages and other expenses have increased greatly and if all the new demands for increased wages should be granted there is hardly any telling where the deficit would halt."

"The deficit of the government as a consequence of paying the guaranteed rentals will not be less than \$300,000,000 at the close of the year. The problem is such as almost to appall the government and the railway managers as well, but its solution cannot be dodged."—Morning News.

"Again we thank God that His providence had been lulled to sleep by cowardly, time servers high in authority, and offices had been hushed by traitors. America awoke from her slumber to renew the glories of her glorious past, to all the world "too proud to fight" for Justice and Humanity. Let us toil, to suffer, aye, to bleed, to the last drop of all give

Again we thank God that His providence who has many times before in perilous crises saved the Nation, that our country, thanks to an awakened public sentiment, has escaped the double tyranny of Capital and Labor, and that its firm hand stayed upon their mutual greed, has averted the threat of a Social war.

Once more we would recognize the deep mercy of God that our Republic has not fallen a victim to the mad folly of dreamers who in their insatiate infatuation to realize an impossible Millennium, would tear down the noble pillars of Liberty's temple and the noble edifice of the Constitution.

It's easy to keep the house warm and comfortable

A Perfection Oil Heater does the trick!

On raw biting days it radiates a glowing atmosphere of warmth that cold can't penetrate. It's a positive necessity if you have rooms not reached by your ordinary heating.

PERFECTION OIL HEATERS

A moderate furnace fire with the Perfection Oil Heater to supplement it means greater economy in the use of coal. No need to have the furnace roaring when you're only using one room—and you can easily carry the Perfection from place to place.

It lights and gives full heat instantly—there's nothing to get out of order—you can't turn the wick too high.

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes; or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.

They Win You On Quality!

Your enjoyment of Camels will be very great because their refreshing flavor and fragrance and mellowness is so enticingly different. You never tasted such a cigarette! Bite is eliminated and there is a cheerful absence of any unpleasant cigarette after-taste or any unpleasant cigarette odor!

Camels are made of an expert blend of choice Turkish and choice Domestic tobaccos and are smooth and mild, but have that desirable full-body and certainly hand out satisfaction in generous measure. You will prefer this Camel blend to either kind of tobacco smoked straight!

Give Camels the stiffest tryout, then compare them with any cigarette in the world at any price for quality, flavor, satisfaction. No matter how liberally you smoke Camels they will not tire your taste!

DAILY DAIRY

BRAIN MIXTURES FOR CALVES

Wheat Bran is Relished by Young Animals and Corn Has Excellent Physiological Effect.

(Prepared by the United States Department of Agriculture.)

When the calf is in its second week it should begin to receive grain, and when one month old it should eat about half a pound a day. After this time the quantity of grain may be gradually increased, feeding all that the calf will eat until three pounds a day is reached, probably during the third month. Grain fed to supplement separated milk should never be mixed with the milk. It is questionable whether the preparation of grain in any way, such as soaking or boiling, is advisable under most circumstances.

Wheat bran is eaten readily by young calves. Corn has an excellent physiological effect and to a great extent may take the place of fat removed from skin or separated milk. Experiments tend to show that corn fed to calves should be cracked rather than finely ground. Ground oats are good in grain mixtures when available, but in many cases cost much more per unit of feed than corn and bran. The following grain mixtures are recommended by dairy specialists of the United States department of agriculture:

1. Three parts cracked corn and one part wheat bran.

2. Three parts cracked corn, one part wheat bran and one part ground oats.

3. Three parts cracked corn, one part wheat bran, one part ground oats, and one part linsed meal.

4. Five parts cracked corn, one part wheat bran, one part ground oats, and one part blood meal.

5. Oats, ground.

Clover hay, alfalfa hay, or the most available roughage available should be given the calf after the second week. Alfalfa is likely to cause scours, and should be fed sparingly at first and in

A Good Method of Feeding Calves So That Each Will Get Its Share.

reased only after the calf gets accustomed to it. At first hay should be furnished only a handful at a time, and placed so that it cannot be soiled. For the first six months, at least, the calf should receive all the roughage of good quality that it will eat up clean. When the calf has access to good pasture during the first six months it need not receive other roughage. It is not advisable, however, to have the calf under two months of age on pasture in the early spring.

GOOD BLOOD ASSISTED DAIRY

Good Dairy Bull, Purchased as Calf for \$100, Put at Head of Herd is Good Investment.

(Prepared by the United States Department of Agriculture.)

A good dairy bull, purchased by a蒙大拿 county farm bureau member, cost \$100 as a calf; it was put at the head of a herd of ten cows, the average annual production of which was 4,800 pounds of milk and 280 pounds of butterfat. The daughters of the bull have now replaced the old cows in the herd and exceed the production of their dams by an average of 102 pounds butterfat and 1,828 pounds of milk per year. This improvement nets \$300 profit each year without taking into account the difference in value of the calves. A cow should "carry on" for at least six years, which would mean \$1,800 additional profit from the ten cows, because of the \$100 invested in the bull calf. "It was a bully good investment," says the farmer.
